IEEE
RNSIT Student Branch

The IEEE RNSIT Student Branch celebrated 'IEEE Day" on October 10th, 2019. Several activities were held throughout the day.

The activities included :

- Talk on "Personality development in Current Scenario"- by corporate trainer Mr Vilas Kadiwal
- Technical talk by Mr. Madhusudhan, product designer, 'Electrosouls"
- Hackthon
- Codathon
- Reverse coding

There were about 50 student participants. The students belonged to first to fifth semesters from different branches of the college.

After the events, prizes were distributed to the winners of the event.
